CAREER OBJECTIVE

To obtain an entry-level software development position where I can apply my technical knowledge, programming skills, and problem-solving abilities to develop innovative solutions. I aim to continuously enhance my skills, contribute effectively to organizational success, and build a successful career in the IT industry while learning from experienced professionals.

ACADEMIC BACKGROUND

B.Tech, Information Technology 2023-2027
M Kumarasamy College of Engineering, Karur. CGPA: 8.65/10 (Till Sem VI)

Higher Secondary Certificate 2022-2023
Mahadeva Vidyalaya Higher Secondary School, Tiruchengode. Percentage: 88.6/100

SKILLS

Technical Skills

- **Language:** Java (Intermediate), C (Basic)
- **Web Technologies:** HTML, CSS, Javascript (Basic), PHP, React.js, Node.js, Express.js
- **Database:** MongoDB, MySQL
- **Tools & Platforms:** Eclipse, VS Code, GitHub, XAMPP, MYSQL WorkBench, MongoDB
- **Frameworks & Libraries:** React.js, Express.js
- **Area of Interest:** Database Management System, Java, Web Development

Soft Skills

- Time management, Team Collaboration, Responsibility, Project Management

PROJECTS DONE

AI Knowledge Vault (MERN Stack) June - Aug 2026

- **Technologies:** React.js, Node.js, Express.js, MongoDB
- **Description:** Developed an AI-powered knowledge management system that allows users to organize notes, perform semantic search, generate AI summaries, and manage information efficiently using the MERN stack.

AI Virtual Mock Interview System June – Dec2025

- **Technologies:** Python, Flask, HTML, CSS, JavaScript, NLP
- **Description:** Built an AI-based mock interview platform that generates interview questions, analyzes user responses through speech recognition, and provides personalized feedback to improve interview performance.

E-Commerce Platform July – Dec 2024

- **Technologies:** HTML, CSS, JavaScript, PHP, MySQL
- **Description:** Developed a responsive e-commerce website featuring user authentication, product browsing, shopping cart, and multiple payment options with secure database integration.

CERTIFICATIONS

- Certified in “Getting started with Artificial Intelligence” – IBM SkillsBuild,
- Certified in “Honoured Diploma of Computer Applications (HDCA)” – CSC
- Certified in “Human Computer Interaction”-NPTEL
- Certified in “Critical Thinking in the AI Era” in HPLife

CO-CURRICULAR ACTIVITIES

- Participated in AI Mystery Box and secured 3rd place at KSR College of Technology
- Participated in Paper Presentation on “Online Voting System” at Kongu Engineering College
- Participated in Tech Quiz and Code Cracking
- Published and presented an IEEE conference paper titled "A Unsupervised Anomaly Detection Framework Using Isolation Forest for Zero-Day Attack Recovery in 6G Networks."
- Attempted GATE 2026, demonstrating a strong commitment to strengthening core computer science concepts and technical aptitude during my 6th Semester.

INTERNSHIP & EXPERIENCE

MERN Stack Development Intern - Sparkout Tech Solutions

- Trained in developing dynamic and scalable web applications using the MERN Stack.
- Contributed to frontend development, backend integration, and database management.
- Followed industry-standard development practices and collaborative workflows.

PERSONAL DETAILS

Father's Name : Kathiravan S
Mother's Name : Renuka K
Date of Birth : 22.12.2005
Linguistic Skills : Tamil (Native), English (Read, Write, Speak)
Hobbies : Gardening and Cooking
